Regarding attached form PTO-2038  
which was faxed to you 3/11/10.

Please note that the credit card  
payment which was attempted on  
that date by USPTO was rejected  
as it was deemed an "unusual  
transaction" by the bank and hence  
a security risk. This has now  
been resolved with the bank, - please  
re-try the transaction which should  
now clear, as expected
